ABOUT US

Experts Industries is one of the leading professional bag manufacturers in India who are passionately working towards developing customised products for customers across the entire industry. Experts Industries came into existence in 2021, with the first production on the 1st of March. The whole industry is spread over a total area of 38,000 Square Feet. Our Founder & Managing Director of Experts Industries, Mr Dinesh Prajapati, has an outstanding 12 years of experience. Mr Prajapati has mastered all the necessary skills to provide quality customer services, production-on-time deliveries, and prompt communication. Apart from this, he has also worked with VIP Industries and has solid experience developing customised products and managing mass production.

Experts Industries are committed to and have been working continuously to provide customers with quality products and services. We keep in mind all the latest styles and trends, and we further present new design concepts to all our customers who are associated with us. We are on the way to marking our presence in the industry by experimenting with new materials, techniques, and applications. With our mastery, we thrive on making every customer's dream come true.

OUR VISION

We at Experts Industries strive to build an exciting and enhanced partnership with our customers while working on providing cohesive, delightful experiences to them with our innovation-oriented quality products.

OUR MISSION

Our Vision is to be a world-class supplier of soft luggage items such as travel bags, school bags, and office bags. We believe in upgrading to the latest technologies to help us reach our goal of producing world-class products.

OUR VALUES

We strongly believe in meeting all the commitments of all the parties associated with us, and we keep a customer-oriented approach in our actions. With a team of experienced and hard-working professionals, we strongly believe in our products and services that are one of a kind.

QUALITY OBJECTIVES

Expert Industries is a renowned soft luggage manufacturer. We are committed to becoming a world-class manufacturer and supplier of soft luggage items such as travel bags, school bags, and office bags. To accomplish our customers' expectations, we have worked towards the major customer requirements such as cost, quality, and on-time delivery. We are working continuously to achieve total customer satisfaction and further improve the effectiveness of the Quality Management System.

QUALITY POLICY

- To over exceed Customer Satisfaction.
- To reduce costs of process & eliminate waste.
- To ensure consistency in quality and delivery as per customers' needs.
- To strive for employee empowerment, teamwork, and motivation, and contribute to the continual growth of the organization.

WHY EXPERTS ?

Experts Industries ensures the highest standard of health and safety and the lowest environmental impact.

Compliance with legislative and customers requirements

Providing and maintaining a culture of free and honest incident and accident reporting.

Provide all necessary resources to ensure a safe workplace to work

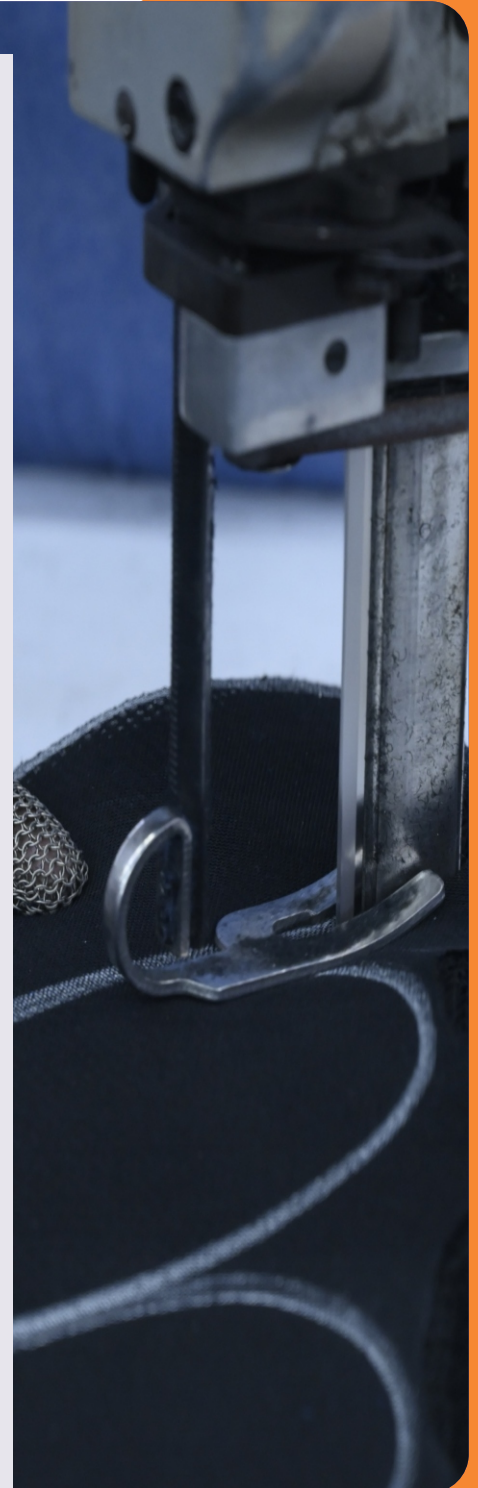

Provide all necessary information, training and supervision to all its personnel and subcontractors.

Continually improve through regular performance reviews.

QUALITY ENVIRONMENT, HEALTH AND SAFETY POLICY OBJECTIVES EXPERTS INDUSTRIES IS COMMITTED:

To ensure a safe & healthy workplace environment for the employees, contractual workforce, partners, consultants, service providers, suppliers, customers and other stakeholders.

- To protect the environment and prevent injuries or ill health by adopting sound manufacturing practices, minimising pollutants and eliminating occupational health and safety hazards.
- To inculcate and promote Health, Safety and Environmental care principles, procedures and practices amongst its people by training and engaging through effective participation and consultation.
- To establish best practices throughout the operations by ensuring that products are developed, manufactured, stored, transported, used and disposed off with minimal adverse impact on the environment and its constituents in conformity with the principles of sustainable development.
- To continually work on a cost-effective technological solution to minimise adverse impact on the environment and risk to the community and utilise the resources in a responsible and efficient manner through the adoption of elimination, substitution, reduction, recycling, reuse and recovery at the source.
- To continually improve environment, health and safety performance by setting up and meeting EHS objectives.

MESSAGE FROM THE FOUNDER

Our Future Plans

We are excited to share our future plans with you as we innovate and grow. Building on our expertise in manufacturing high-quality bags and accessories, we are expanding into the garment industry. Our new venture will include the production of premium t-shirts and jackets. This expansion marks a significant milestone for our company. We are committed to maintaining the same standards of excellence and meticulous attention to detail in our garments as we do in our bags and accessories. Each t-shirt and jacket will be crafted to meet the highest quality standards, ensuring durability, comfort, and style. Our goal is to offer a broader range of products that our customers will love. We believe that our new line of garments will provide you with even more options to suit your needs and preferences. Stay tuned for more updates as we embark on this exciting new chapter. Your continued support and trust inspire us to achieve greater heights, and we are eager to bring you the best in both bags and garments.

THANK YOU
